

# GOËNS Théo

STUDENT SOFTWARE DEVELOPER

✉ glazk0@proton.me | 📅 August 3rd, 2003 | 🏠 glazk0.dev | 📺 glazk0 | 🌐 glazk0

## Personal Profile

A motivated graduate student with a strong focus on software engineering. I began exploring programming at the age of 15 and have since developed a passion for full-stack web development and DevOps, which I continue to pursue through self-directed learning and experimentation in my free time. I am currently seeking opportunities in web development.

## Education

### HELMo Sainte Marie (CG)

Liège, Belgium
